

## Alan Burt

### Statement

On my retirement 6 years ago my wife and I came to live in Hampshire. Apart from learning Watercolour painting I have spare time and would like to fill some of it with voluntary work that benefits others as well as myself.

My past experience of team involvement is 30 years as a Police Officer in London which I left in 1987 and subsequently qualified as an Accredited Legal Representative in Criminal Law, providing advice and support for people in Police custody following arrest.

I live in Abbots Ann and my wife and I are regular visitors to the Plough.
